Dear Commissioners and Judge Nodes,

7 Nov. 2012  
Date

The undersigned wish to make a statement regarding the petition currently before the Commission of the Boulders Homeowners Association seeking the de-commissioning and closure of the Boulders East Plant, a sewage processing plant located in the midst of the Boulders Community in Carefree and North Scottsdale and operated by Black Mountain Sewer/Liberty Water. This statement follows:

The Above mentioned Sewage processing  
Plant continues to Be a major source  
of unpleasant - sometimes nauseating source  
of odor in our community. Not only is  
it unhealthy but continues to impact  
property value in a negative way.

Modifications to sewage management have  
been tried + have failed on numerous  
occasions. Closure of this facility is  
the only sensible Resolution.

Thank you
